

August 17, 2026

Dear Parents, Guardians and Students,

Welcome to DSC! On behalf of the Secondary section leadership team, teachers and staff, I would like to welcome you to the 2026-2027 school year at DSC International School.

It is a very exciting time as we begin the new school year and we welcome all new and returning students to DSC! And this is a very special year, as we celebrate our 40th anniversary, with many special activities organized to commemorate this very important occasion.

We look forward to working together with you and your child to ensure that their academic journey is a success! A primary goal of Secondary is to design an individual pathway for all students so that we support them in getting to where they want to be at the completion of the Ontario Secondary School Diploma (OSSD). We are very proud of the accomplishments our students make each year and look forward to having a successful year moving forward.

In addition to our rigorous academic program, DSC Secondary students have many opportunities to get active and involved in all aspects of school life. We have an extensive Extracurricular Activities program offering students a wide array of clubs and sports teams to join. There is something for everyone!

For your convenience, there are many important Secondary Section documents located here (<https://dsc.edu.hk/dscs-documents/>) to support you throughout the school year. Please take the time to review the documentation in preparation for the coming school year. In addition, parents and students can access “Edsembli for Parents” so that you have access to information specific to your child like daily attendance and assessment results.

If you have any questions, please do not hesitate to contact me at 3658 0338 or via email at a.morrison@dsc.edu.hk.

I look forward to a wonderful school year and support both you and your child as we move forward into the school year!

Sincerely,

Dr. Allan Morrison, BA (Hons), BEd, MA, MBA, EdD
Principal (Secondary)
