Grade 4-5 - Family Power for Change - Philippines

10 students and 1 of their parents will join our Head of School to the Philippines to volunteer. Some volunteering activities include community visits, building toilets,

Dates: Monday, March 8th - Friday, March 12th

This includes flights, accommodation, and the activities.

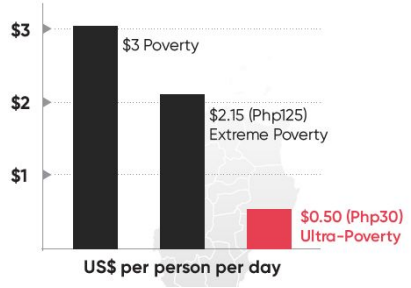

Grade 4-5 - Family Power for Change - Philippines

We will be working with International Care Ministries (ICM). ICM has been committed to making change in the Philippines since 1992. Their program is designed to help families in ultra-poverty. They invest in building and create supportive environment.

International Care Ministries

The World Bank defines extreme poverty as those who live on less than $1* per day (inflation adjusted to $2.15). Extreme poverty threatens survival. Below that is ultra-poverty, where people live on less than $0.50 per day.

Those ICM serve lack clean water, proper sanitation, good roads, safe housing, access to healthcare and education. They have little reason to hope for their futures.
